About This Content

Metronom Scenario Pack includes 10 challenging and enjoyable scenarios for the Hamburg-Hanover Route on Steam, covering passenger operations in this commuter route.

Take the controls of ME 146 Metronom Locomotive Add-on, DB BR 424 EMU Add-on and DB BR 189 Dispolok Locomotive Add-on to haul passenger services along the line following real world timetables with real world difficulties from poor weather to red signals.

Note:

To drive all 10 career scenarios in the pack, players will require [Hamburg-Hanover](#) Route Add-On (available separately) and select scenarios also individually require Train Simulator's [Metronom ME 146 Loco Add-On](#), [DB BR424 EMU Add-On](#) and [Dispolok BR 189 Loco Add-On](#) (each available separately).

Included Scenarios

The Metronom Scenario Pack Add-on includes ten operating challenges in career scenario for the Hamburg-Hanover Route (Available Separately):
